Letter No. D. 36 of 23-24 dated the 28th January 1924 from the Revenue Commissioner for Mysore, forwarding a report on the seasonal conditions in the State for the week ending Saturday the 26th January 1924.

Order No. 486-95/8
Dated, the 5th Feby 1924.

Recorded.

2. During the week, 17 villages of Nagamangala Taluk were included in the affected area. There was no rainfall in any part of the State and the standing crops in some taluks of Bangalore, Mysore, Chitaldrug, Kadur and Hassan districts are reported to be withering. The prices of food stuffs were stationary. Fodder is being imported to Tiptur Taluk from Seringapatam by private agency. The immigration to Davangere, in quest of labour, of people from the adjoining districts of Bellary and Bijapur slightly increased during the week.

3. It is satisfactory to note that private charity is being organized in Maddagiri, Sira and Gubbi Taluks in the Tumkur District and Gudibanda Sub Taluk in the Kolar District for

alleviating the distress of the poor.

4. Government note with dissatisfaction that the progress with regard to tank maintenance, tank restoration, temporary wells and village improvement works has been very poor considering the number of works sanctioned. The Deputy Commissioners and Executive Engineers should take special steps to see that the execution of the works is carried out more briskly than at present.
